

Statement of Support for CTPAT Compliance

Dear Customers and Suppliers,

The Customs Trade Partnership Against Terrorism ("CTPAT") program is a voluntary supply-chain security program instigated by U.S. Customs and Border Protection to work with US importers of record, exporters, logistic providers and manufacturers to reduce the risks posed to the supply chain from terrorism and other criminal activities.

Atemitech, its executives , management, and policy-maker commit to participate in the CTPAT program, and dedicate to promote a culture of security , and to ensure laws and regulations are followed through organizational commitment for the security of our Supply Chain and the CTPAT program. Atemitech management gives its full support and efforts to stop terrorism and other illegal activities. ATEMITECH provides security guidelines and training for Atemitech employees, service providers, and others associated with the company.

Best Regards,
